

The Parents' Guide to G Suite for Education

What is G Suite for Education?

G Suite for Education is your child's digital link to learning. It is an online learning platform provided to every NSW public school student.

How will my child use G Suite?

Your child will access learning through Google Classroom or a grade website created through G Suite by teachers. These platforms are only accessible by students with their DoE login and password.

Getting Started

Click on the link provided to you via email to access the online learning site for your child. We recommend using the Google Chrome browser for best results. You should be directed to this page:

A screenshot of the Google sign-in page. At the top is the Google logo. Below it, the text reads "Sign in to continue to Google Drive". There is a text input field labeled "Email or phone" with a cursor inside. Below the field are links for "Forgot email?", "Not your computer? Use Guest mode to sign in privately. Learn more", "Create account", and a blue "Next" button.

Help your child to type in their Google Email (____@education.nsw.gov.au) and click 'Next'. You should be directed to this page:

A screenshot of the "Login with your DoE account" page. It has a title "Login with your DoE account". Below the title is a "User ID" label and a text input field. Below the field is the text "Example: jane.citizen1". Below that is a "Password" label and a text input field containing the placeholder text "Enter your password". At the bottom is a blue "Log in" button and a link for "Forgot your password?".

Help your child to type in their DoE user ID and password and click 'Log in'. You should be directed to the Home Learning Page for your child's grade. We suggest you bookmark this link on your Chrome browser.
