

P&C Events 2013

Hi everyone,

Here is a list of the current dates for P&C -run events through the year. Please note that these dates may change if future clashes arise.

Traditionally each event is allocated to a year group to run, as below. Some events have been allocated to different year groups this year, to avoid a year group having to run 2 events in a row, and to try to spread the work more evenly and ease some pressure on the committee. So apologies if your group is running the same event as last year.

The P&C small events co-ordinator will contact the class parents of the year in charge of an event to give a briefing. The class parents can then ask for volunteers from their classes.

Please do get involved as much as you can to make this year a fundraising success, and enjoyable for parents & children.

Thank you for your continued support.
